Online health check

Because of the coronavirus we are obliged by the central government to ask you a number of health questions. This is done for the safety of both guests and staff.

In order to exercise all due care, to guarantee your privacy and to avoid unnecessary delay at the entrance, we ask you to fill in the mandatory health check online. You will also be reminded of the applicable guidelines.

Scan the QR code with your mobile phone and after all questions have been answered, show us the screen with the result of this check.
